

Important Class Dates:

We look forward to making our remembrance day poppies with those of you who can make it into school on
Wednesday (7th November.)

Parents evening will be on
Thursday 15th November.

Time slots will be allocated shortly.
(Please see home-school book notes regarding the possibility of day-time slots.)

Owl Class Newsletter

Welcome Back!

We hope you all had a good half term.
Between now and Christmas, our learning theme will be

'Come and Join The Celebration.'

So if you have any photos of celebrations that you have had at home, please send them in to help with our learning. This includes: birthdays, religious holidays and festivals.

Celebrations.

What a fantastic time we had, learning all about Africa. Now as Christmas draws near, we will be looking at some of different celebrations that take place at this time of year.

Our learning will include:

- Week 1: Bonfire Night and Diwali.
- Week 2: Remembrance and Children In Need.
- Week 3: Guru Nanak's Birthday.
- Week 4: Hanukkah.
- Week 5-7: Christmas.

Forest School.

Our forest school will continue to be **EVERY WEEK** on a **Wednesday** morning, so you will need to bring clothes into school on these days.

Swimming.

We will be continuing to visit Dudley Leisure Centre on **Monday** afternoons for swimming lessons.

The children have shown some really good progress over the last few weeks!

Please support your child in becoming as independent as possible with changing, by.:

- Providing knee length socks or trousers, rather than tights,
- Providing polo T-shirts rather than fully buttoned blouses or shirts,
- Tying long hair back on swimming days.

Thank you for your support.

Home-School Books.

Thank you to those who have made use of our home-school communication books, so far. Please continue to write any important notes, information or queries, in here.
