

Caterpillars

Children in Years 2 and 3 are waiting for the caterpillars they have in the classroom to become chrysalises and then to hatch into painted lady butterflies. They will be released into the wild then so that they can help with the pollinating of plants.

Sponsored Walk/Sports Day

The Sponsored Walk is on 10 June and Sports Day is on 12 July this year so you need to check if your children's feet have grown and make sure they have pumps that fit!

Remember to put your child's name on their new pumps and all their other items of clothing including wellies.

The Business Enterprise Raffle run by Year 6 was a great success. They raised £82.63 towards their activity week. The first prize of a bicycle was won by a Year 5 child, the second prize of a £20 gift voucher was won by Year 1 child, and the third prize of a £10 gift voucher was also won by a Year 5 child.

Thank you for all your support

We now have a new logo, as you can see from the front sheet of this newsletter. It will be used on our letterheads, website and eventually on a new sign for outside the school.

Mrs Cartwright has decided to retire at the end of the summer term. She has been with the school for 16 years, as a class teacher, an acting deputy head and an assistant head teacher, and we will miss her very much.

Leavers Assembly and Goodbye to Mrs Cartwright

Our leavers assembly will start at 10 a.m. on Thursday 21 July. This is not only to say goodbye to all our Year 6 and to celebrate their achievements, but also to bid a fond farewell to Mrs Cartwright.

All are welcome!

You may not know, but the School runs an Art Club on Tuesday lunchtimes and a Reading Club on Wednesday lunchtimes, and children who are interested come and thoroughly enjoy themselves.
