

Acceptable use policy + rules agreement for pupils

This is how we stay safe when we use electronic devices:

- I will ask an adult if I want to use a device
- I will only use activities if an adult says it is OK.
- I will take care of all equipment I use
- I will ask for help from an adult if I am not sure what to do or if I think I have done something wrong.
- I will turn off the screen/monitor and tell an adult if I see something that upsets me.
- I know that if I break the rules I might not be allowed to use devices in the future.

I understand these rules and will do my best to keep them
