Dear Everyone

It is lovely to see all of our Year 1 – 6 pupils back in school now. All children are settled well into their new classes and are learning their new routines really quickly.

At the start of every year, we always ask the previous class teachers to complete an “All about me” form for every child so as to help new teachers know what the children like / don’t like, what they enjoy doing, what things make them upset and what helps to encourage them amongst other things. Over the year, we continuously update this document to ensure we support our children in the best way possible.

To help us, we would be most grateful if you could update us on anything new your child is currently interested in or any new behaviours that have presented themselves during lock down etc

Below, I have created a table to help with this and I would be most grateful if this could be completed and returned to school asap.

Many thanks for your assistance with this.

Yours sincerely

Mrs K Beer  
Headteacher
