

Butterfly Class Newsletter

Friday 9th November

I do hope you all had a lovely, relaxing half term. The children are back and are keen and eager to become involved in our new class topic!

Our topic this term is 'Come Join the Celebration'. During this topic the children will be learning about different celebrations that are celebrated in this country and from other religions and cultures. Celebrations include; Bonfire Night, Diwali, Hanukkah and Christmas. All of these celebrations have light at their core, which leads us into our Science topic on Light and Dark.

Thank you to those of you who joined us on Wednesday 7th November and made a poppy!

I am currently liaising with the SENCo from Sutton Secondary School to plan and provide a successful transition programme for our children who will be moving to Sutton in September. Watch this space for more information!

Reminder:

For PE please send shorts, t-shirt pumps or trainers. We have PE outdoors all year round so it would be a good idea to send joggers too.

Reminder:

For Forest School please send warm clothes that you don't mind getting dirty and suitable footwear, preferably wellies.

Homework will be sent home regularly, so please look out for it in your child's bag. There will also be work on Education City that your child will be able to access in the coming weeks. Reading books are sent home every night, please read with your child regularly. And write in their reading diary.

Also as part of this terms topic, we will be looking at the First World War and how it is remembered. The children will be thinking about the symbol of the poppy and why it was first used. The children will also be learning about what it was like to live during the First World War.

I look forward to seeing you at Parents Evening and the EHC reviews later this month.

Mrs Guest and the Year 6 team
