

Badger Class Newsletter

Our topic for this half term is;

As we begin our journey in Badger Class, we will continue to use the areas of the EYFS to structure our learning and activities.

We will be focusing on lots of speaking and listening tasks in order to develop our language and communication skills and enhance our learning.

We will also be working on the targets identified in our EHCPs to reach our goals and again develop our skills as both individuals and learners whilst considering our specific needs.

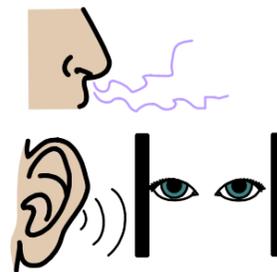

'All about Me'

We will be using the 'Dough Disco' and 'Squiggle Whilst You Wiggle' programmes to help to increase our fine motor skills and will be doing some 'Food Therapy' to support our sensory needs and relationships with food.

Through our topic work we will be thinking about ourselves, families and friends, likes and dislikes, our new class, what we are good at and our experiences. Again we will place a key focus on language and communication through the use of objects, symbols and pictures.

Please can you send in or email any photographs of your family, pets and home that you are happy to share for us to use with your child. Please also use Tapestry to share any days out and experience that you have had together that we can use in line with our topic activities.

All children in Badger Class will continue to have a personal online learning journal which records photos and observations in line with the Early Years Foundation Stage. In addition to viewing our contributions, we encourage you to add to it by uploading photos and comments, or commenting on observations made by us.

During our Wednesday enrichment sessions we will be completing lots of sensory exploration activities to enhance our experiences and develop our skills.

We will also be sharing and looking at stories and books. Please let us know if your child has any favourites.

Home Learning

- Go on a listening walk! Can you recognise any of the sounds you hear?
- Read and listen to stories with a grown up.
- Practise getting dressed and undressed independently
- Sing and dance to favourite songs
- Look out for different colours and shapes when out and about.
- Make marks using pens, pencils, chalk and paint etc.
