

Frog Class Newsletter Summer Term 2023

We look forward to exploring during our Summer "Rainforests Adventure" topic. We will be making rain shakers in Music, exploring chocolate in History and learning about Brazil in Geography. We have lots of exciting activities planned for the Summer term.

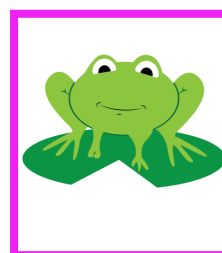

Our PE days are on a Monday and a Friday. Please make sure your child has their PE kit to keep in school and is clearly labelled. As we enter the Summer term we will be doing lessons outside if weather appropriate, please ensure your child has a set of joggers also.

Our Life Skills focus this our Summer 1 term will be Forest School. Please ensure your child has a set of named wellies in school so that they can go exploring through our muddy puddles. Our focus for Summer 2 will be Outdoor Games.

We have an exciting trip planned for the entire of Pathway 2 (Frogs, Owls & Bees) for the Summer term. Please look out for further letters detailing information about this trip.

Our topic this half term is **Rainforest Adventure**.

In the topic we will be exploring a range fiction, non-fiction and poetry texts, all of which will be related to Rainforests or animals associated with Rainforests.

During our English lessons, we will be focus on story sequencing, exploring rhythm and rhyme, characters thoughts and learning how to describe a character effectively. We will read our reading books every day in school so please ensure your child has their reading pack in school every day.

In Maths, we will be exploring fractions, addition and place value in our Number sessions. In our Shape, Space and Measure focus lessons we will learn about size, length, capacity, shape and time.

During our Topic learning we will be learning about what a rainforest is, what lives in a rainforest and why rainforests are important. We will learn about the history of chocolate (and taste it!) and learn about the country Brazil. To enhance our learning about Brazil we will be learning carnival dances, making our own headdress and end with a Pathway 2 Carnival Celebration.

Other learning will include: food chains, the water cycle an the artwork of Henri Rousseau.
