Wednesday 23rd September 2020

Dear Everyone

I cannot believe that we are already well into our third full week back at school. All children have been amazing as to how they have settled and adapted into their new classrooms and rules/routines that we now see as the new norm.

Since we have returned we have continued to update and adapt our daily routines to maintain everyone's safety and to ensure we keep in line with latest government, LA and DfE guidance.

With this in mind, can I please remind all parents and carers dropping off and picking up pupils to:

- use the dots on the path to help with maintaining social distancing
- wear a face covering when on school premises
- only have one family member drop off and pick up pupils to reduce congestion
- keep to the allocated drop off and pick up times linked to your child's class (unless previously arranged with myself)

Can I also thank all parents who have returned their child's updated student information form – especially at this present time, it is vital that we continue to have up to date information and contact details for everyone in school just in case we need to get in touch with you in the event of an emergency.

Please also review our most up to date Covid related parent information sheets, risk assessment and FAQs. All of these have been sent out via Parent Hub and can be found on the school website under News and Events, Letters and Notices.

As always, if you wish to discuss any of this with school, please do not hesitate to get in touch.

Many thanks for your continued support and understanding with helping us to keep everyone at Woodsetton safe.

Yours sincerely

Mrs K Beer
Headteacher
