

Ladybird Class Newsletter Summer Term 2023

Welcome back for the Summer Term! We hope you all had a wonderful Easter break. Our new topic in Ladybird class for Summer Term is Splish, Splash, Splish!

Our PE days are Wednesday and Thursday. Please make sure your child has their PE kit to keep in school and is clearly labelled.

Life skills: This half term we will be looking at developing our play and social skills. During this time we will explore turn-taking, taking care of toys and equipment and developing our communication skills.

Our new topic in Ladybird class for Summer Term is Splish, Splash, Splosh!

We will be learning all about water: what is it used for, where we can find it, and what we can create with it.

During this term we will be exploring lots of stories linked to water in English, such as: Mrs Wishy- Washy, Commotion in the Ocean, Kipper's Rainy day, and many more.

In Maths we will continue to look at place value, addition and subtraction and sharing and grouping. We will also be exploring capacity and weight, time, patterns and symmetry, money and positional language.

During our Science sessions, we will be investigating materials and their properties and observing physical changes. We look forward to learning about the life of Grace Darling and exploring maps, compasses, weather and seasons through our Topic sessions.

Thank you once again for your ongoing support; we can't wait to get stuck into this term and have lots of fun!
