

Frog Class

Curriculum Newsletter

Welcome to the latest newsletter from Frog Class, we hope you enjoyed using Education City over the holidays. In the Frog Class team are Mr. Gregg (teacher), and three classroom assistants (Miss. Bell, Mrs. Currien and Miss. O'Connell) on Monday and Tuesday Miss. Jackson also works with us. We have begun the process to make them into independent and confident learners. Remember Parent's Evening is Thursday 15th November between 3:30 and 7:30 and your appointment time has been sent to you.

Our learning for this half term is called Come and Join the Celebration, we will be looking at different celebrations and festivals from around the world. Thank you to those who were able to come to our Poppy workshop, they look fantastic. To enhance the children's learning we will be visiting the Sycamore Centre as part of our studies, as well as using the spaces around the school site to take learning outside of the classroom.

Celebrations!

We will be marking the 100th Anniversary for Remembrance Day, finding out about the religious festivals of Diwali and Hanukkah. Planning and preparing for a birthday party as well as, of course, Christmas and Advent.

Science

In our science work we will focus on light and dark. We will investigate electricity and make our own circuits.

English

We are going to be developing our drama skills when retelling events and stories. We will be looking at and writing both descriptive and sound poems. We will also be looking at instructions and using them to help us.

Creative curriculum

We will be learning and performing a dance for our Christmas performance.

We make and decorate clay diva lamps for Diwali. We will be doing lots of cooking and baking as most celebrations involve lots of delicious food!

Home Learning Possibilities

Finding their own information about the different celebrations in Britain and around the world. Photos of them in party clothes or at parties, you could also bake at home but unfortunately we can't share these with the other children. Any work they produce at home and bring to school will be shared and celebrated!
