

Class Newsletter Autumn Term 2022

Welcome to Squirrel Class!

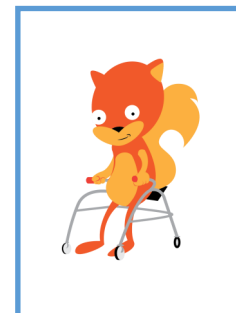

Well done for settling back into school so well. All of your teachers are very proud of you.

As an introduction to the school year, we would like to share some key information with you.

Your child's class teacher is Mr Robinson. The class teaching assistants are Mrs Picken, Mrs Lowe and Mrs Morris.

We will be having PE on **Wednesday's**. Please make sure your child has their PE kit to keep in school and is clearly labelled.

Our forest day is on a **Tuesday afternoon**. Can your child bring forest clothes in a labelled bag on the day. We also need a pair of wellies to keep in school.

Our topic this half term is '**Amazing Me!**'

In the topic we will be covering human changes from birth to old, and how exercise and diet support a healthy lifestyle.

The children will learn about Relationships within the family, how we have similarities and differences, and that respect is an important part of family life.

The children will also be learning about their local location, using maps and plans, and completing field work. The history of the local area will be explored—focusing on the Victorians, including a trip to the Black Country Museum.

If you would like to ask any question please use the email addresses below.

The school email is: info@woodsetton.dudley.sch.uk

In addition, please use the home/school book to inform us of any important information.

Alternatively, please call the school office if you any need any support. 01384 818265

Thankyou for your ongoing support.
