Friday 28th May 2021

Dear Parents / Carers,

As the end of this half term draws to a close it is with great optimism that we look towards the warmer months and the next academic year.

This half term the children have been engaging in many special activities including the special NSPCC number day where we raised over £85, and, as I write this letter, the children are thoroughly enjoying partaking in the PE Olympic day that had originally been planned for last summer.

Many of you have had telephone consultations with your child's class teacher to review their EHCP and it is still hoped that, subject to lockdown guidance and safety of everyone, we will be able to engage in face to face parent teacher consultations later this term.

We have also had a very busy half term with preparing for September. I am pleased to notify you that Mrs C Harding and Mrs S Allen have both been successful in being appointed as permanent Deputy Headteachers at Woodsetton.

Next half term Hedgehogs and Woodpeckers will continue to be supported by DPA with their music whilst RB Sports coaches will be working with Frogs, Owls and Badgers on a Tuesday. Therefore please note that Frogs and Owls will now need to be dressed appropriately for PE on Tuesdays whilst Squirrels will be moving their PE day to a Wednesday and Butterflies will be partaking in PE on Mondays.

Special days coming up in Summer (2) are:

Date	Event	What's happening
w.c. 7 th June	Science focus day	Further details to follow
w.c. 14 th June	Well being day	Further details to follow
w.c. 21 st June	Forest adventure day	Further details to follow
w.c. 5 th July	Music focus day	Further details to follow

Class newsletters will be sent out at the start of next half term that will include further details about specific topics that your child will be covering during the last half term of 2020-2021.

In relation to further developments with the school premises, following a meeting that I attended yesterday, it has now been confirmed that over half term, ground work for our additional mobile classrooms will be commencing. We are expecting work to continue for the remainder of this term and over the summer break. Then, hopefully by September we will have 2 very much needed additional classrooms that will enable us to have more space for our children.

I hope you all have a lovely half term. Please remember to contact school either via phone and by leaving a voice message or by email on info@woodsetton.dudley.sch.uk if your child starts to display symptoms before Monday

I hope you all have a lovely half term.

Yours sincerely,

Mrs. K Beer
Headteacher
