Thursday 7th October 2021

Dear Parents / Carers,

I can't believe that we are already into October and our 5th week of term. We have had a very busy start to this academic year but I am sure you will agree, the children have all settled really well into their new classes and are enjoying the new learning opportunities that they are experiencing.

Our new classrooms are amazing and I have attached some photos of them on the back of this newsletter. Owls and Squirrels are very lucky to have such a wonderful environment in which to learn.

Since coming back this term, as a school, we have been able to continue supporting many important charities.

A big thank you must go to Miss Mills Harding who arranged a fantastic McMillan cakes sale and raffle for staff where we raised just over £200. I am also truly grateful for the generous donations that have kindly already been made towards our Harvest Festival to enable us to support the Black Country food banks. Please continue to look out for the weekly flyers sharing ideas of the types of donations that we are focusing on each week.

As we move into Autumn (2) we will continue to look at other ways for us to help others within our community and beyond. Please see further information about these in the key dates noted below.

Other key dates and events coming up for your diary - I hope you find this summary useful.

- Parent/Teacher consultations – Tuesday 19th October – please see letter coming out shortly for further information
