Dear Parents/ Carers

Woodsetton School – Ofsted 2023

It is with great pleasure that we can now inform you of the results of our recent fully graded section 5 OFSTED Inspection which took place on the 10th & 11th October 2023.

The inspectors that visited our school carried out their inspection over the two days, which included deep dives, lesson visits, discussions with staff/pupils, meetings with school leaders and scrutiny of work undertaken by children. They met with teachers, support staff, non-teaching staff, members of the governing body, other external agents, spoke with parents, and reviewed documentation provided by the school.

The inspectors concluded that Woodsetton School the overall effectiveness is **Good** in all areas.

- The quality of education - **Good**
- Behaviour and attitudes - **Good**
- Personal development - **Good**
- Leadership and management - **Good**
- Early years provision - **Good**

As a school we consider this an excellent achievement for the whole school community and are exceptionally proud of all staff and pupils. This reflects everyone's ongoing efforts and commitment since our last inspection almost 2 years ago.

The report is extremely positive, and although there have been some areas highlighted for continued improvement, school leaders have already started to work to develop this and we continue to AIM high for all of our pupils throughout school.

The full report is available to view on our school website:

We would like to also thank all parents/carers for your ongoing support. The staff and students at Woodsetton are fantastic and rightfully deserves the praise. I am personally looking forwards to continuing to work together and build on the significant progress we have made.

Yours sincerely
