

Owl Class Newsletter Summer Term 2023

Welcome back. We hope that you had a lovely Easter holiday and that you didn't eat too many chocolate eggs! We have a busy summer term planned.

 <p>PE</p>	Our PE day is Monday and Friday. Please make sure your child has their PE kit to keep in school and is clearly labelled. This term we will be working with the Wolves Foundation for our Monday PE lessons.
	Life skills this term will be in the forest. The children will be exploring the forest environment, thinking about how it changes during the year and what can be found there. The children will take part in lots of fun activities to help them to
 <p>Class assembly</p>	Owl Class have a class assembly planned for Wednesday 7th June. So please keep your eyes peeled for an invite and more information.
 <p>Reading</p>	Your child should bring their reading home each day. Please ensure it is returned daily and that if you hear your child read you record it in the reading diary. If your child doesn't enjoy reading the school book at home, you can record any books that you share. It would be lovely to see what your child is enjoying

Our topic this half term is **Rainforest Adventure**

This term the children will be learning about rainforests. They will be learning about the different animals that can be found in the forests and how they have adapted to live there. The children will also be thinking about the climate and what it would be like to live there.

During the topic the children will learn about why rainforests are important and the risks to the wildlife die the forests being chopped down. They will taste food and use every day products that come from the rainforest. This is to show that we all depend on the rainforests being there.

As part of the topic we will also learn about chocolate and how the first explorers brought it back to Europe after discovering the Mayan and Aztec tribes who used cacao as money and drank spicy chocolate drinks. I'm sure you will agree the children will enjoy this part of the topic.

We have lots of fun activities planned to help bring this topic to life leading us up to the summer.
