Monday 23rd March 2020

Dear Parents and Carers

Following on from my recent letters, we have compiled a list of supporting agencies that may be able to offer emergency support or guidance whilst the school is closed to many of our children.

This morning I have been working on the feasibility of re-opening on Wednesday for some of our pupils where parents are front line workers however as stated previously, this will be based on whether it is safe to do so with an ever reducing level of staffing and changes to government guidance.

It is hoped that arrangements will be confirmed following further advice from Public Health and the LA tomorrow. I will be notifying this set of parents personally with what is available to them.

In the meantime for all other parents, may I thank you for your ongoing support at this difficult time.
