Stockists:

The most economical way of buying our uniform is probably at your local supermarket.

PE: Please provide your child with a P.E. kit and bag - **all clearly marked with his/her name!** - which can be kept in school. The teacher will send it home from time to time to be washed!

Swimming: Frogs (Autumn), Owls (Summer) and Squirrels (Spring) go swimming on a Monday afternoon. A swimming costume, hat (if your child has long hair) and towel will be needed, in a bag - again clearly labelled please!

In the interests of safety and security, we ask pupils **not** to wear jewellery. It is safer, quicker and in the best interests of all concerned, if jewellery is left at home.

N.B. It is important to let us know *in writing* if you wish your child to be excused from P.E. or swimming, including an explanation. These subjects are part of the National Curriculum and can only be missed if there is a legitimate medical reason.
