Autumn Term 2022-23

Dear Parents/ Carers,

It is with great pleasure that I welcome all our fantastic students back to school after a well-earned summer break. It has been a busy holiday with lots of needed work taking place on the school site alongside a well planned summer school intervention week.

A big thank you to everybody for their efforts and making me feel so welcomed as the new Headteacher of Woodsetton School. The children have been a delight to get to know and we had a brilliant coffee morning for Macmillan charity where I got to meet many families and discuss our school update initiatives.

We now look forward to the new term full of ambition and exciting new classes and curriculum to help all pupils fulfil their potential whilst enjoying their time at school.

Best Regards

Mr D Stanton

Bee Class will be leading our Harvest Festival on **Thursday 20th October at 10am**, in our school hall
We will be supporting Black Country Foodbank ... watch this space for further information!

Occupational Therapy will be delivering a toileting skills Workshop on **Thursday 3rd November**. Invitations will be sent out after half term.
Advice, tea, biscuits and a chat freely available — all welcome!

Please make sure that you keep school informed if you change your mobile number so Parent Hub can be updated.
If you have not yet signed up to our Parent Hub app please contact the school office for support.

Thank you to everyone for uploading their Summer holiday photographs for your child to share with their friends. Please continue to upload any weekend news, special occasions or events to support your child's communication and language onto their Tapestry profile.
