

Healthy Eating

And now for something different to give the children as a treat or for breakfast:

Oatcakes

1 oz margarine or butter

4 oz fine oatmeal (or use 2oz oatmeal and 2oz flour)

Pinch of salt

Hot water to mix

Rub fat into oatmeal, add the salt and then bind with water. Roll out very thinly and use pastry cutter to make it into shapes. Cook in a well greased, medium heat frying pan, turning them until both sides are a golden brown.

Enjoy on their own, or with cheese or baked beans or bacon or ...

Woodsetton School
Spring Term 2017

As I am sure the children have let you all know—the trip in January to see *Aladdin* was spectacular.

All the children and staff enjoyed it so much that we are going to try to book a panto again for next year!

Watch out for more fundraising events so that this can happen!

It is really important that all your children's clothing is clearly labelled with their name.

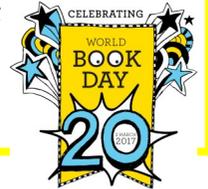

As you can guess, a class full of children all changing for forest school or PE means that at least one child will swop something with another by the time they need to get their uniforms back on.

If they are labelled, we can then match the clothes to the child!

World Book Day is on 2 March 2017 and every child will be receiving a free £1 book voucher.

On 2 March 2017 the children are able to come dressed as their favourite character if they want, and there will also be lots of special activities in school.

Well done to Year 1 children for coming into school themselves from February.

It has made a huge difference to them as they are now part of the morning routine with the older children and have settled into it brilliantly.
