For families: #OnlineSafetyAtHome packs

Our [#OnlineSafetyAtHome packs](#) are available for parents and carers to use at home. These include fun activities, conversation starters and practical tips on topics such as:

- [Sharing images](#)
- [Watching videos](#)
- [Live streaming](#)
- [Cyber security](#) (developed in partnership with the [National Cyber Security Centre](#))

Short videos to inform parents and support the activity packs

Home activity packs

These home activity packs have been created to cover different areas of online safety for each age range, using the Think u know resources.

This will depend upon your child's individual experience using technology and the internet.
